DOMMERPRESENTASJON

AV GRUPPE VESTLANDET UTSTILLING 17 APRIL 2010

ANN RAWLINSON

‘Dogs are my passion and I have devoted myself to them since early adulthood’

Ann trained at the world famous Vulcan poodle kennels in the late 1950s. She had the privilege of being trained by Shirley Walne in all aspects of looking after poodles including breeding, rearing, nutrition, grooming, trimming and general welfare. Shirley gave the prefix ‘Highla’ as a graduation present to Ann.

Ann has bred and owned miniature and standard poodle champions. She had the thrill of owning the Crufts best of breed winning standard poodle in 1991: Ch. Twintops Conversation Piece. In the last two years, Ann has had the pleasure of making up two standard poodles: the male Ch. Piedmont Don Michael from Highla and the bitch Ch. Highla Aoife.

She has awarded challenge certificates in all sizes of poodle since 1978 and judged many times in the UK and internationally. Ann was delighted to judge standard poodles at Crufts this year and to see her best of breed winner go onto be judged the Crufts reserve best in show.

‘I believe it is important to keep up to date with things such as hereditary diseases and be open in sharing information. I have regularly attended seminars as well as presenting practical seminars for the Poodle Council and breed clubs.

Ann was an elected committee member of the Poodle Club in Britain for fourteen years and the elected secretary of the Standard Poodle Club in Britain for ten years. She has also contributed to a range of initiatives promoting dogs to the general public including being a volunteer on exhibition stands at Crufts.
